Hi Lisa, Thanks for your willingness to work with us on the Healthy Start Legislature. The National Healthy Start Association is asking that Congressman McGovern co-sponsor the house version of the Healthy Start Bill. It is HR 3267 and was introduced by Congressman Towns and Upton right before the August recess. We appreciate your assistance on this and please let me know if you have any questions. My number here is 508-854-2124.

Sincerely,

G. Mike Portuphy, MPH, CHES

Hi Mike,

It was great to meet with you as well. I just added Jim to the Healthy Start bill. It will be filed when we are back after Labor Day. Please feel free to give me a call if anything else comes up.

Thanks and take care,
